Sub: **Clarification in regard to ETA issued under the purview of Gazette Notification No. G.S.R. 564 (E) dated 30th July, 2008.**

Sir,

I am directed to state that it has been decided that low power Wireless Equipments/devises operating in 865-867 MHz band with maximum transmitter power of 1Watt, Effective Radiated Power (ERP) of 4 Watts and carrier bandwidth of 200 KHz only may be considered for Equipment Type Approval (ETA) as stipulated by Gazette Notification No. G.S.R. 564 (E) dated 30th July, 2008.

2. Further, it is also notified that any ETA issued in contrary to above, stands null & void. No Import License shall be issued on the basis of those ETAs.

3. Owner of equipment/devises not conforming to above Gazette notification shall obtain Non- Dealer Possession License (NDPL) as per extant rules and they will not be allowed to operate the same.

The above is for strict compliance by all concerned.
